

Pack 88 Olympics How-to

Prep:

- Print signs for each event. Apply these signs to poster board and attach two sticks for posting at each event location
- Bring or print flags for each country
- Print schedules for each country showing times for their event participation and the opposing countries they will be competing against
- Print a few country facts and language translations for greetings and key phrases
- Ensure leaders have printed game rules and belt loop requirements
- Print signs for Information, first aid, and a t-shirt sale area
- If possible ask for one of the church members to be on site with a key to the bathrooms.

Set up:

- 4 leaders starting at 6:30 AM the day off the event to paint the field use a rolling spray can tool plus measuring rope line
- Print signs for each event and place on poster board to post in front of each event area
- Put country flags in the ground near the meeting area so country teams can line up behind their flag before starting. Each team can carry the flag with them throughout the event.
- Put trash can near meeting area
- Three event locations fields can be painted along the long grassy area run running from east to west.
- One field can be made directly in front of the building
- Net events can be set up on the dirt mound closest to the activity building
- Set up info/first aid/t-shirt table and sign near meeting area

Event:

- Meet at front area at 8:45 am.
- Announce how things will work
- Perform calisthenics
- Divide up into countries based on headcount per family.
